

# How to reach us?

If you are arriving by car, please let us know at least a day in advance so that we can arrange free parking for you.

1

The entrance to our garage is from Kladenská Street.

2

At the barrier, use the bell marked “Security” and announce that you are going to EUROPE IVF.

3

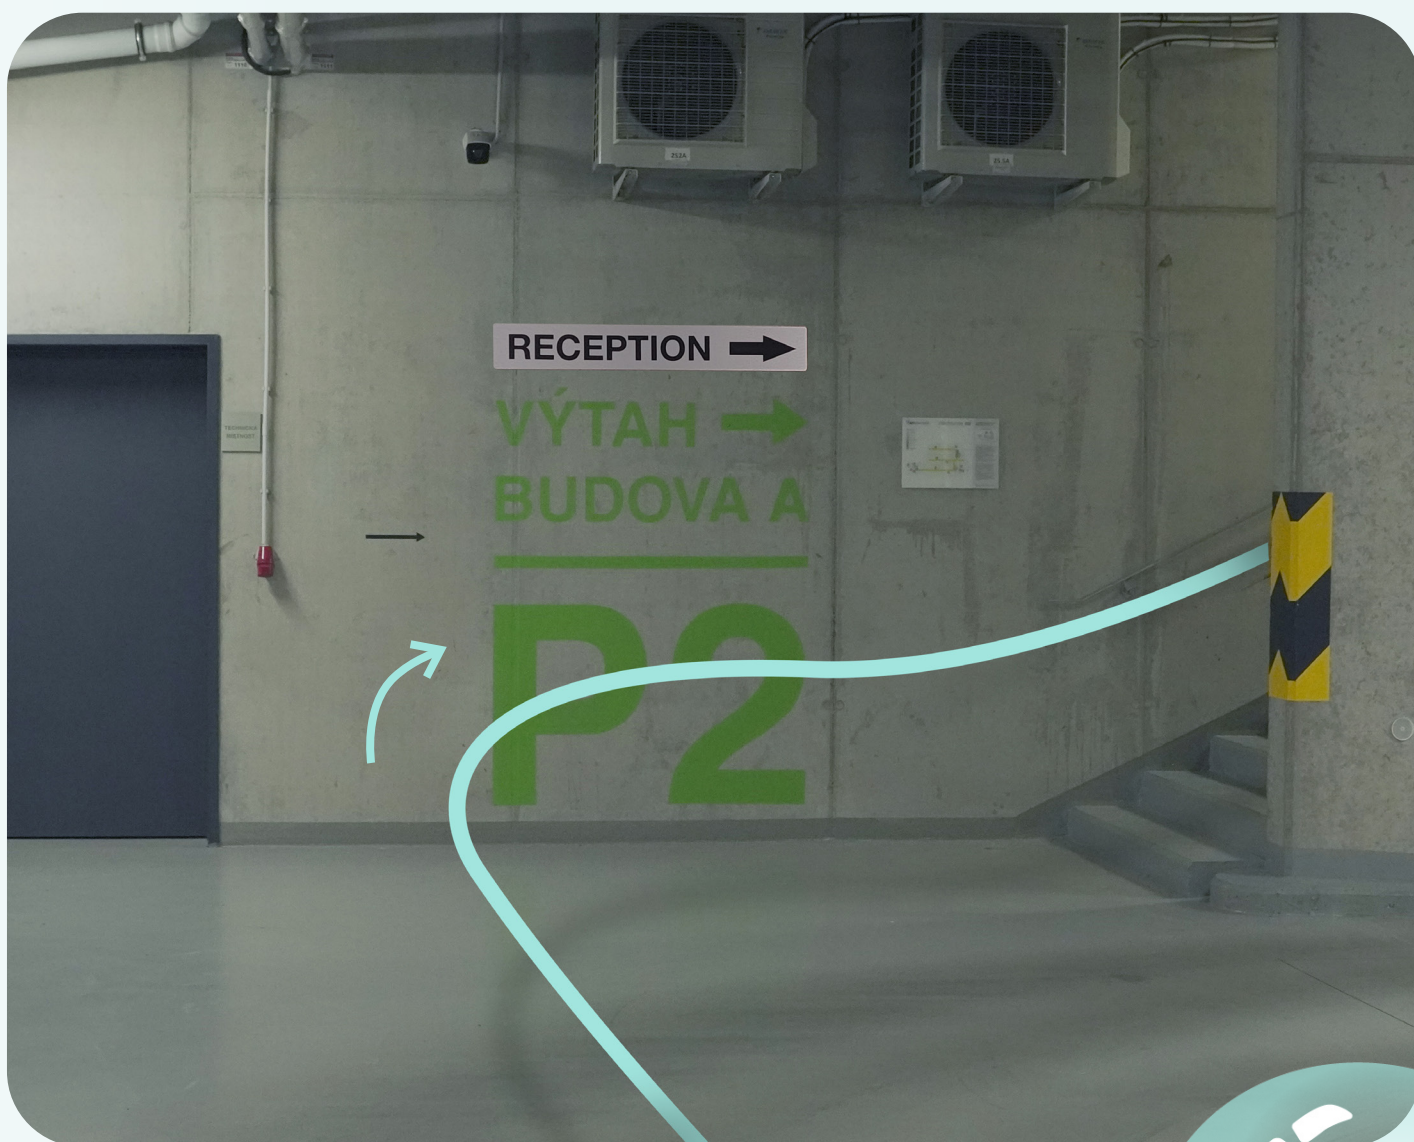

Turn right after the barrier and use the free parking spaces on the P2 floor. There are 4 charging points for electric car owners.

4

When you get out of your car, follow the arrow with the sign “RECEPTION”.

5

Head up the stairs and go through the glass doors.

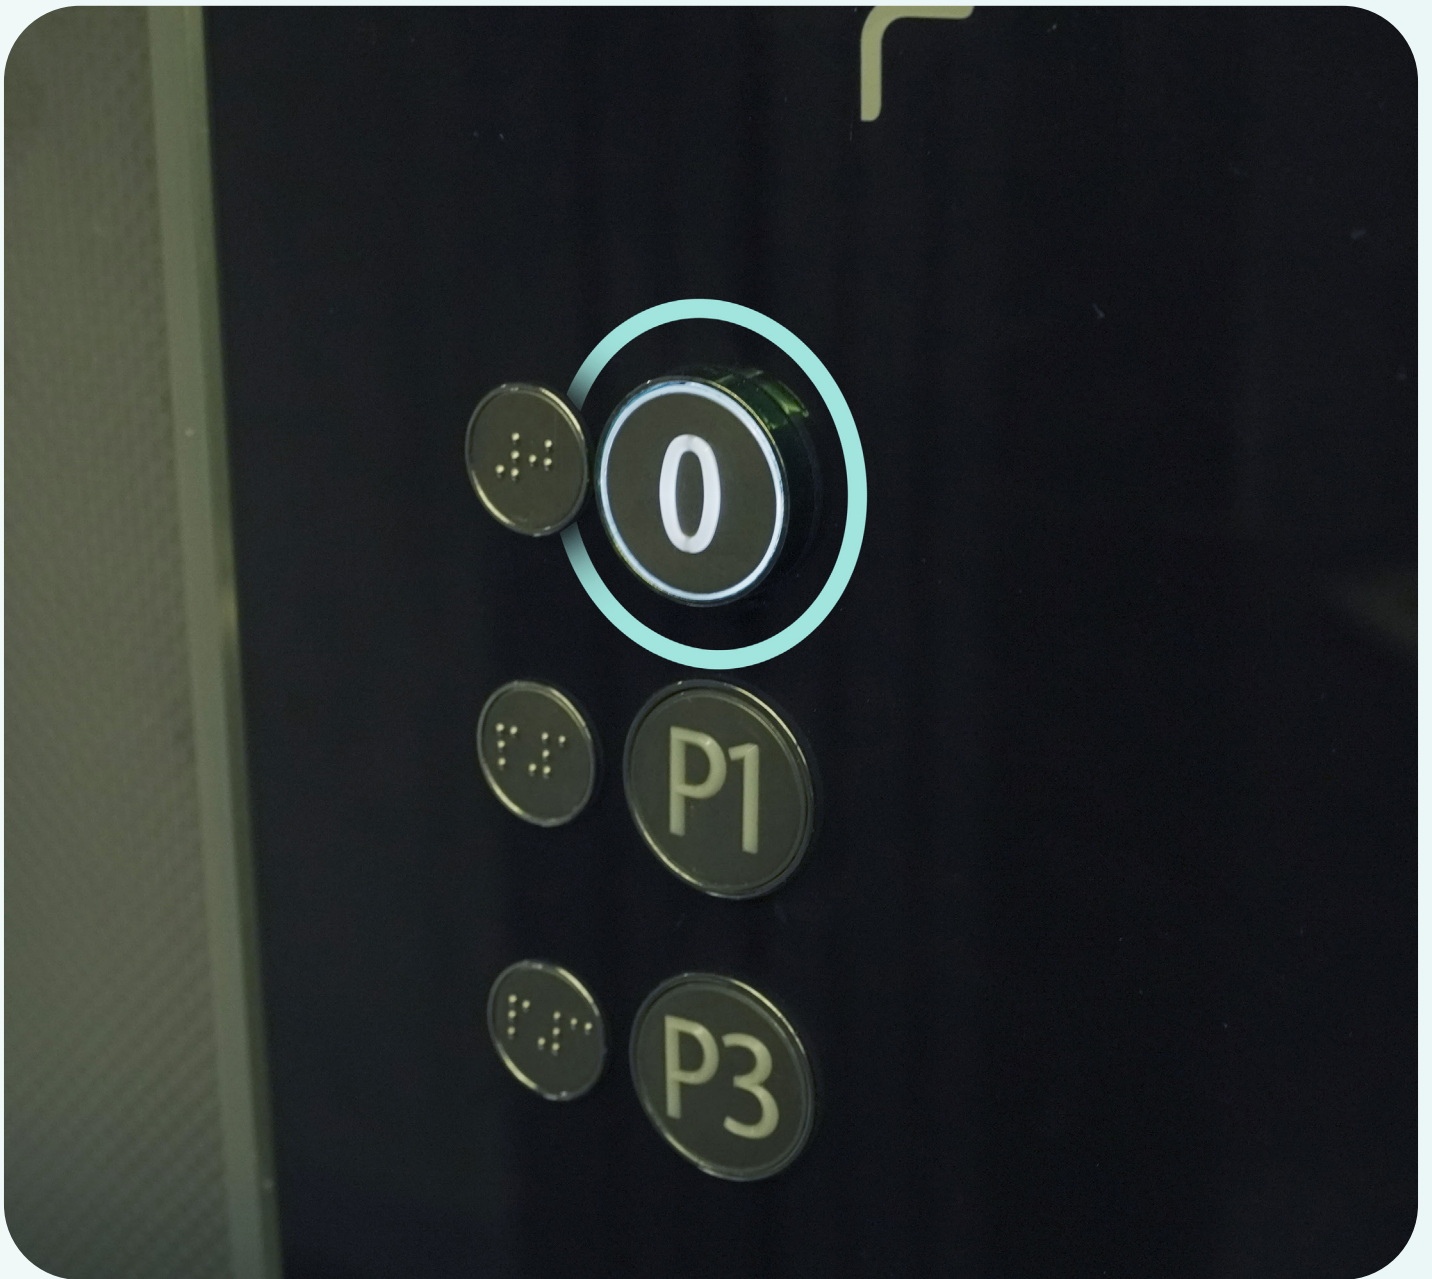

6

The first glass door on the left leads to the elevator. Follow the signs to the reception.

7

Take the elevator to the zero floor.

8

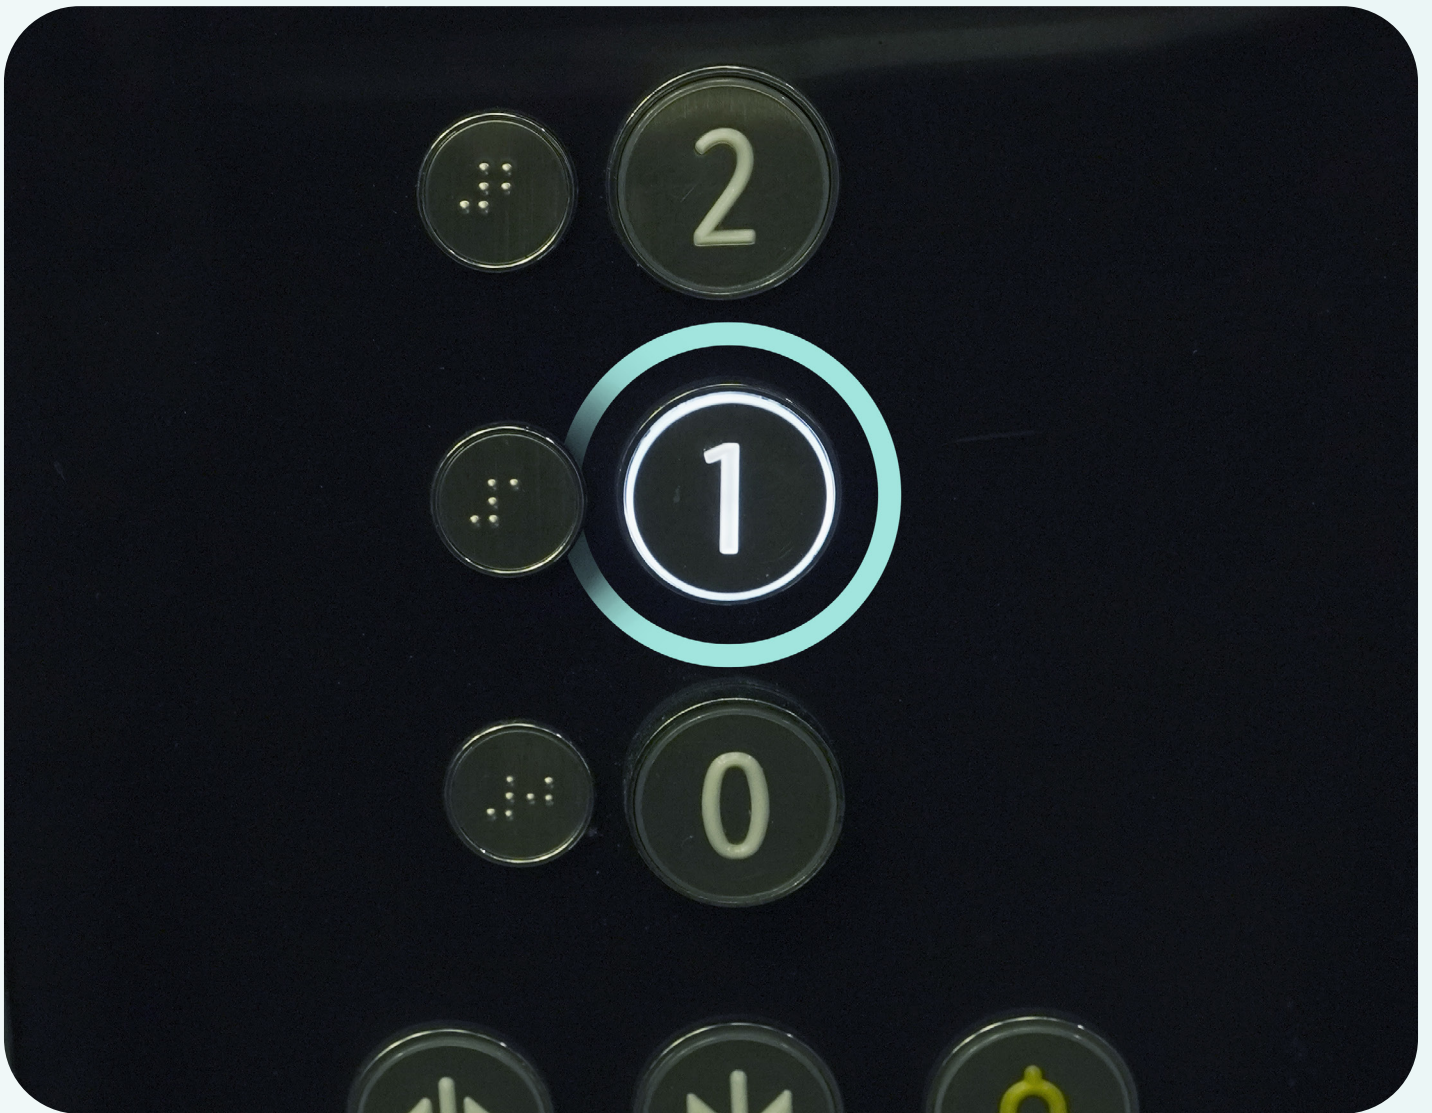

You will receive a visitor's card at the front desk of the building, which will give you access to our Assisted Reproductive Center.

9

Use the visitor card to pass through the turnstile. In the elevator, attach the card to the reader and go up to the first floor.

10

After exiting the elevator, proceed to the left to the reception of our clinic.
