

Tips for your travel to Prague

We have prepared a short itinerary for your trip to Europe IVF to ensure you have the most comfortable and hassle-free stay.

Our clinic is based in Prague, the capital of the Czech Republic, which is known for its millennia of history, peaceful atmosphere and rich culture.

Data abroad

If you are travelling to us from abroad, we recommend you get a **local SIM card**. You will get better local internet coverage, which will make it easier to communicate with our clinic as soon as you arrive. Easy communication with your coordinator, hotels, restaurants and access to maps can be key once you arrive.

At Václav Havel Airport, you can get a SIM card from the machine in the arrivals hall of Terminal 2.

We will be happy to **arrange a Data SIM** for you prior to your arrival.

Prepaid cards

- Data SIM for visitors
10 GB | 800 CZK
- Data SIM for visitors
20 GB | 1 299 CZK
- Prepaid card 30 | 200 CZK

You can pay by card, cash only up to 200 CZK.

Transport

If you're flying in, you can use the Uber and Bolt apps. The journey from the airport to your temporary home is also quite convenient by **public transport**.

We will be happy to **arrange a contract taxi** to transport you safely and comfortably anywhere in Prague at contract prices.

Accommodation

We offer various accommodation options **as close as possible** to our clinic, which is easily accessible by car and public transport.

You can arrange your accommodation independently of our offer, or if our offer is fully suitable for you and you want to have security and peace of mind before your trip, please contact your coordinator and we will **book your accommodation** for you.

Iconic Prague

Prague is one of the most beautiful cities in the world, allowing you to make your treatment even more unforgettable. Our clinic is located close to Prague Castle, the best residential neighborhoods and the area where most embassies are located. This gives our clients a sense of security and safety.

Prague offers a rich history and breathtaking architecture, with iconic landmarks such as Prague Castle, Charles Bridge and Old Town Square with its Astronomical Clock that will take you back in time. The cultural and gastronomic experiences in Prague are unsurpassed, with many theatres, galleries and restaurants where you can sample traditional Czech cuisine and international specialties.

Comfort and convenience during treatment

Our goal is to provide you with not only professional medical care, but also support and comfort during your treatment.

We look forward to your visit and believe that Prague and our services will bring you not only health well-being during your therapy, but also the joy of rediscovering new places in the city's history.

Thank you for connecting your journey to parenthood with our Europe IVF clinic. We look forward to seeing you.
