

Thank you programme

We know that when you're considering fertility treatment, funding is often one of your most important considerations.

At our clinic, we always provide you with complete information for you to make an informed decision.

In addition to providing individual attention and support, which can help you to overcome your fears and increase your chances of a successful pregnancy at Europe IVF, we offer cost-effective packages treatment programmes.

At the same time, we created a thank you program. We want to provide you with benefits tailored to your needs to thank you and express our gratitude for choosing our clinic.

If you have any questions about our targeted treatment programmes or benefit system, give our team a call today.

1 We encourage early decision

To every woman up to 36 years (35 years and 364 days) we offer **10% discount on the 1st IVF cycle** with her own eggs.

The benefit applies to the same treatment and the price of the basic package. This discount does not apply to the discounted package of methods.

2 A family doesn't have to be just three

As a thank you for your trust in coming to our clinic for siblings, and having frozen embryos from a previous cycle, you will receive a **€200 discount** on KETs under the Siblings Cryoembryo Transfer program.

If you undergo a new cycle in the Siblings with Guaranteed Egg Donation program and you do not have frozen embryos from a previous cycle, you get a **€700 discount** on the entire cycle.

3 Thank you for continuing with us

If you are continuing your IVF treatment cycle with your own eggs and you don't get pregnant, we offer every woman an additional **10% discount on a 2nd cycle of IVF – ICSI**.

The benefit applies to the start of the next cycle no later than 12 months after the first cycle and is always valid for the same type of treatment.

4 Thank you for protecting us

To all clients and their treatment partners who are members of Military, Police, Fire Department, and all physicians and medical staff as a thank you for your service to our peaceful life in uncertain times, we are offering a **15% discount on the 1st cycle**.

The benefit also applies to the professions named in the international structures who prove their affiliation to the rescue or defence forces. For the discounted package methods, this discount does not apply.

Individual benefits can only be used separately. Individual discounts are not cumulative.
